To Whom it May Concern,

I would like to ask the Board for a waiver for providing a letter from our professional land surveyor, Ralph Cole, who provided the proposed land survey dated Jan. 25, 2006 and the certified as-built survey dated Dec. 21, 2006. The company that Mr Cole worked for mr. Surveying Inc. is no longer in business and Mr Cole is retired. He is over 90 years old and I am not sure he is still alive.

As you can see from the proposed plan and the as-built plan there is no deviation from one to the other and both plans are exactly the same.

Sincerely,

Joseph Flynn
