Due Date: September 1, 2026

PRELIMINARY APPLICATION TO DETERMINE PROJECT ELIGIBILITY

All project applicants begin the application process by submitting a one-page Preliminary Eligibility Application Form, which will be used to determine whether the applicant is eligible for Community Preservation Act ("CPA") funds. No funding application will be accepted unless this preliminary eligibility application has been submitted and approved. Project eligibility is defined and the application process is explained in the Process Manual document on the Community Preservation Committee ("CPC") page of the Town of Hingham's website. Please submit via email to: CPC@hingham-ma.gov.

Applicants will be notified in mid-September whether their project is eligible for CPA funds. It will then be up to the applicant to complete the final application. Dates and further information are available on our website.
