

Waiver Request for the Property at
12 Tower Brook Rd Hingham MA 02043
DEP File 034-1536

To whom it may concern,

I respectfully request a waiver of the two-year growing season survival condition for the eight shrubs required under the OOC. As Botanist Ken Thomson stated on 8/26/26, the shrubs are thriving and growing at an impressive rate.

This property is being sold on 10/6/26 and we do not want to put the burden of applying for the COC on the new owners. They have been made aware of the importance of maintaining the growth of these straight species shrubs and have agreed to their support. If possible, I would request a final COC prior to the closing of this property.

Thank you for your consideration with this waiver.
